

CONNECT TO THE NETWORK

 <p>Chemicals & Process Industries Holistic platform for latest trends in chemical processing equipment, technology & services for the downstream chemical industry.</p>	 <p>Engineering Procurement & Construction Connects the project owners from oil & gas, chemicals processing, power & infrastructure industries with the technology & services providers for Engineering, Procurement & Construction and allied sectors.</p>	 <p>Specialty Chemical Engages the manufactures & suppliers of specialty chemicals, intermediates & formulations with multiple end user industries.</p>
 <p>Biotech & Pharma Provides an opportunity for manufacturers of pharma products, processing equipment & allied services providing sectors.</p>	 <p>Lab Analytix Cutting edge lab technologies, analytical instruments & advanced automation for R&D, quality control & quality assurance across industries & research institutions.</p>	 <p>Water Management Utilities, technologies & advanced automation to manage water & waste water for multitude of applications across Industrial & Municipal infrastructures.</p>
 <p>Industry Automation & Control Process & Factory automation, Industrial electronics & Instrumentation for applications across up – mid & downstream of hydrocarbon & chemical processing industries.</p>	 <p>Pumps, Valves & Fitting Pumps Valves & Fittings to meet needs for fluid management across up – mid & downstream of hydrocarbon & chemical processing industries.</p>	 <p>Oil & Gas One stop for equipment, technology & services for E&P, hydrocarbon processing, transportation, storage & logistics for the hydrocarbon value chain.</p>
 <p>Natural Gas & LNG Valuechain Complete solutions for Natural Gas exploration, production, gas processing, LNG supply chain and infrastructure for transmission & distribution.</p>	 <p>Refining & Petrochemicals Connects the refiners and downstream petrochemicals manufacturers to common platform.</p>	 <p>Power World Expo Total solutions and technology innovation for application in power generation, transmission & distribution of electricity value chain.</p>
 <p>Nuclear Energy Equipment, technologies & services for nuclear power sector & supply chain.</p>	 <p>Inland Waterways Ports & Logistics Enabler for development of national waterways, rail-road-ports connectivity, warehousing & logistics.</p>	 <p>Shipping, Marine & Ports Maritime show for complete technology, equipment & services for ship building, repair, breaking, port development & management, manpower training & recruitment.</p>
 <p>Infrastructure & Design Melting pot for innovative ideas in architecture and Design for professionals from global fraternity of architects & designers.</p>	 <p>Railways, Highways and Waterways Forum for discussion on new technologies, & integrated & innovative planning which fosters the development of the various transport modes - Railways, Highways and Waterways.</p>	<p>Student Outreach Program BioTech</p> <p>Student Outreach Program: Student Industry interaction platform to developing future leaders for the chemical industry.</p> <p>SOP Biotech: Mentorship platform for students aspiring to join various industries as biotechnology professionals in the field of R&D and pursue entrepreneurial journeys.</p>

FOUNDATION
Inspiring Intelligence • Igniting Innovation

Paint & Surface Coating

World Expo 2021

February 24-27, 2021

Bombay Exhibition Centre, Goregaon (East), Mumbai

An International Exhibition and Conference connecting the Buyers, Sellers & Influencers in the Paints, Coatings, Surface Engineering Industry

www.paintandsurfacecoating.com

Support Partner

Cooperation Partner

Organised by

CHEMTECH FOUNDATION

43 Years of Credibility In Creating Platforms to Explore Business Opportunities & Build Great Business Partnerships

- India's leading industry association since 1975, has created Technology platforms for business interactions & strategic alliances.
- The group has a strong presence across the verticals of **Chemicals & Processing, Oil & Gas, Refining, Engineering Procurement & Construction, Automation & Process Control, Pharma & Biotechnology, Water, Shipping & Maritime, Power and Infrastructure & Design.**
- With constant focus on innovations & technology, the group offers specialised media services for peer to peer connectivity, and exchange of information & innovative ideas through CHEMTECH series of events & niche publications.
- It has created industry platform preferred by established business leaders and entrepreneurs alike.
- Since 1975, thousands of business owners have explored business owners have explored business opportunities and maintained relationships through the Chemtech network.

CONNECTING THE ENTIRE ECO SYSTEM

Connecting the entire hydrocarbon value chain including new frontiers and the downstream chemical value chain

MILESTONES

PIONEERS TRADE FAIR - CHEMTECH starts the first international trade fair in India with Chemtech '75 International Exhibition & Conference.

TAKES INDIAN INDUSTRY INTERNATIONAL - Sends the Chemtech Industry Mission to USA at 'Offshore Technology Conference OTC '81, Houston.

FOCUS ON HYDROCARBON & ENERGY SECTORS - Organises CHEMTECH + ORT, India's first integrated energy event on Oil & Gas Exploration Oil Refining & Energy sectors.

CONTINUED INTERNATIONAL PRESENCE - Completes 20 years of association withACHEMA. Hosts the largest 'India Day Function' in Frankfurt with more than 600 visitors from 31 countries.

LAUNCHES EnerTECH WORLD EXPO - India's first ever International Platform for renewable energy.

SPECIALTY CHEMICALS - Adds technical platform for Specialty Chemicals.

INLAND WATERWAYS & PORTS - Adds Forum for Infrastructure & Logistics.

2019

COMPUTERS AND BIOTECH - Promotes usage of new technology with focus on Computer Application in Chemical Process Industries and Biotechnology.

URNS FOCUS TO ENVIRONMENTAL PROTECTION - Hosts the 'Envirotech 84' - India's first Exhibition and Conference on Environmental Protection.

TECHNOLOGY & AGRICULTURE - Showcases new technologies to optimise Indian agricultural production and the Food Processing and Beverage Industry.

EXPANDS SCOPE ADD NEW VERTICALS - EPC, WATER, INDUSTRIAL AUTOMATION Focused Technology Platforms.

NEW INITIATIVES - Introduces Refining & Petrochemicals conferences, Launches International Partnership Program, SME Matchmaking Services, Student Outreach Program.

EXPANDS SCOPE OF ENERGY PLATFORM - Launches technical verticals for Nuclear Energy & Gas Technologies.

PAINTS & SURFACE COATING - Launching Paints & Surface Coating World Expo 2021, completing the Ecosystem.

PAINT & SURFACE COATING WORLD EXPO, 2021

An Integrated Platform for connecting the Exhibitors, Buyers, Policy Makers & Influencers in the Paint, Coating & Surface Engineering Industry

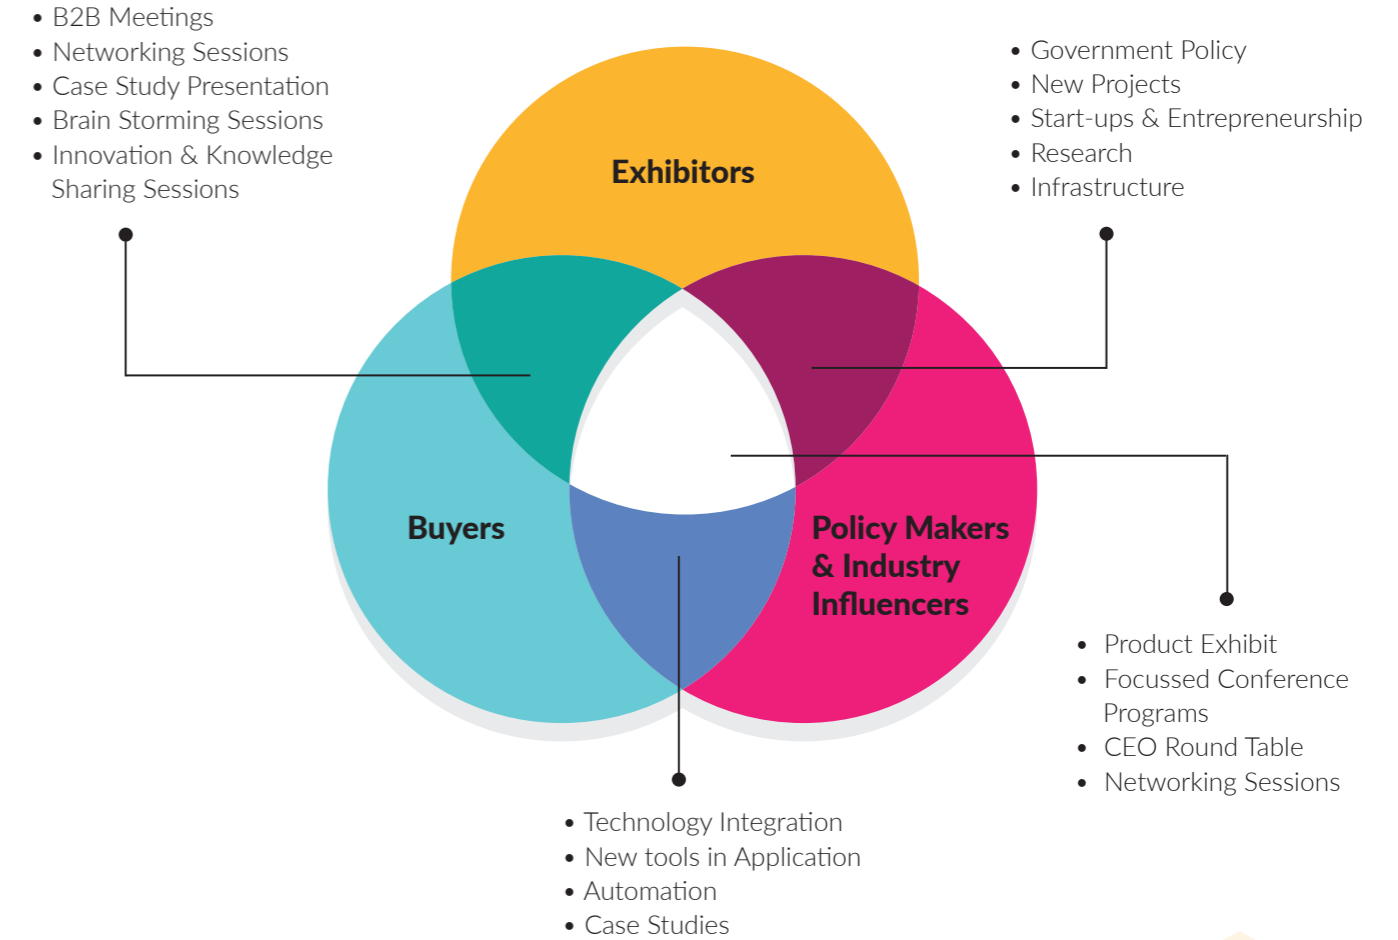

- Paint & Surface Coating World Expo & Conferences will be a comprehensive platform servicing the needs of every facade of the Paints, Coating & Surface Engineering industry right from raw materials, formulation, application, technology, finishing, quality assurance, recycling, disposal and end consumer.
- The Exhibition will feature a wide range display of Technology related to Surface Engineering, Products, Raw Materials, Application Systems, Machines, Tools, Current Trends, Development & Innovations shaping future of Paints, Coating & Surface Engineering industry.

MAJOR HIGHLIGHTS

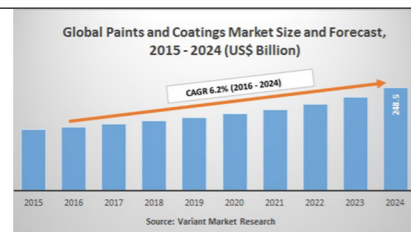

- Innovation Pavilion showcasing latest developments by various Paint and Coating manufacturers, Raw Material manufacturers, Equipment and Tools manufacturers, Testing Equipments and Labs services etc.
- Green Pavilion showcasing Eco Friendly and Sustainable Paints & Coating Solutions.
- Emerging Technology Pavilion showcasing New Technology which will shape the future of Paint & Coating Industry in next decade.
- Pavilion on New Applications in Coating Industry & Surface Engineering.
- Product Presentation Lounge & Demo Zones.
- Two Days Technical Conference on Surface Engineering, Paints & Coating Industry.

CONNECTING EXHIBITORS & THEIR BUYERS

360 Degree Approach for connecting Exhibitors, Buyers, Policy Makers & Influencers

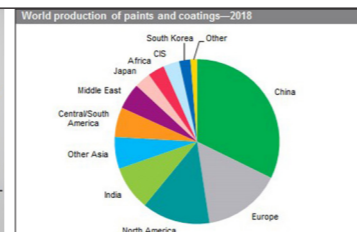

THE OPPORTUNITY FOR PAINT & COATING SECTOR

Global Market Paint & Coating

Valued at 178.9 Billion US\$ in 2018, it is expected to reach 242.70 Billion US\$ by the end of 2025, growing at a CAGR of 4.5% during 2019-2025.

Indian Market Paint & Coating

Growing at a CAGR of over 12% and market is expected to grow over INR 700 Billion by 2021-2022.

Housing for All

Supported by Government initiatives for Housing for All by 2022, over 6.8 Lacs houses already constructed and 2 crore more houses to be constructed by 2022, providing impetus to the Industry.

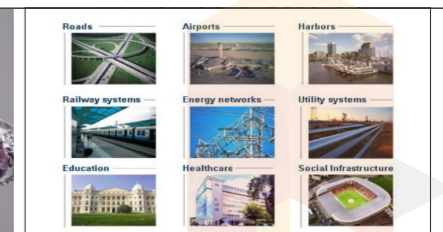

Smart Cities

The government last year had proposed over 50 percent increase in the allocation for smart cities in Budget 2018 from Rs 4,000 crore for 2017-2018 to Rs 6,169 crore for 2018-2019. It will further sustain the growth of the industry.

4th Largest Automotive Sector

During April 2018-January 2019, automobile production increased 9.84 per cent year-on-year to reach 26.26 million vehicle units. Automobile exports grew 15.54 per cent during April 2018 - February 2019.

Infrastructure Sector - Biggest Focus area of Government of India

Under Union Budget 2019-20, US\$ 63.20 billion was allocated to the sector. India is expected to become the third largest construction market globally by 2022. Industrial & specialized coating will be thus in great demand.

EXHIBITOR PROFILE

Display of Technology related to Paint, Coating & Surface Engineering - Products, Raw Materials, Application Systems, Machines, Tools, Current trends, Development & Innovations

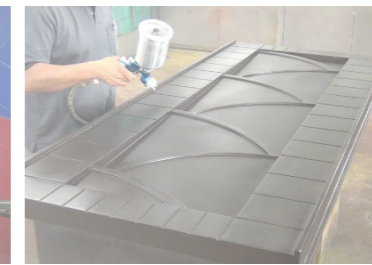

- Paint manufacturers and formulators for liquid and powder applications
- Manufacturers and distributors of paint raw materials for paints: Pigments, Additives, Resins, Solvents, Monomers, Bulk Chemicals & Intermediates, Specialty Chemicals, Stainers, Pigments Dispersions & Machine Colorants
- Manufacturers of Pre-treatment and Corrosion prevention chemicals
- Manufacturers of Spray-guns and other paint application equipment

- Paint booths for OEM applications and quality assurance systems.
- Decorative Paint Manufacturers
- Decorative Paint Applications Tools and Devices
- Paint Mixing, Conveying and handling systems
- Colour Matching Tools
- Dispensing Machines and Systems
- Manufacturing & Capital Equipment
- Analytical Instruments
- Testing Equipment
- Testing and Research Services

BUYERS PROFILE

Paints & Surface Coating World Expo 2021 will attract Decision makers, Industry captains, Manufacturers, Technologists, Marketing / Purchase & Technical heads, Specifiers & QA professionals, Users / Buyers from

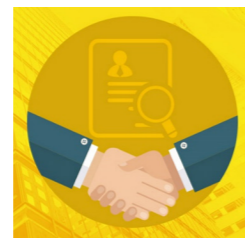

- Aerospace
- Architectural
- Agriculture Industry
- Automotive OEM
- Automotive components
- Automotive Refinish
- Building Segment – Residential, Commercial, Industrial
- Chemical & Pharma Manufacturing
- Chemical Processing Equipment
- Construction Equipment & Heavy Duty Equipment
- Food & Beverage

- General Engineering
- Marine Coating
- Metal Working
- Measuring & Test Technology
- Oil & Gas
- Paint & Coating Manufacturers, Dealer & Distributors
- Packaging
- Power & Thermal
- Process Plant Machinery
- Textile & Paper
- Research & Environment Technology
- Wood Coating

FOCUSSED MARKETING & PROMOTION CAMPAIGN TO REACH YOUR TARGET BUYERS

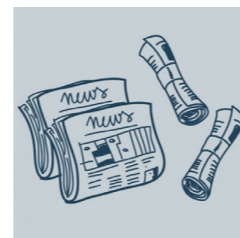

Advisory Board

Central Advisory Board constituted of Thought leaders from Industry, Associations

Media

Support of all the relevant Media – India & International across Print, Online mediums

Social Media

Extensive promotions across the Social Marketing platform -Linked-in & Facebook

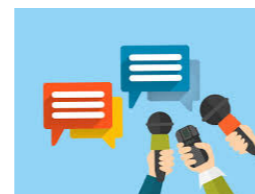

Direct Mailers

Mailers to be sent to 1 Lacs + database of prospective Exhibitors and their Buyers

Associations

Tie-ups with all the Relevant Industry Associations - Exhibitors as well as of Buyers

Advertisement in Newspaper

Promotion of the Event before & during the event

EDM

Email to be sent to over 2 Lacs + database of prospective Exhibitors and their Buyers

Newsletters

Monthly Newsletter reaching to over 5000 Professionals and E newsletter reaching to 50,000 Professionals
